Congratulations on your new Labrador Retriever and welcome to the world of purebred dogs. Your AKC registration dollars support numerous AKC efforts to benefit dogs and dog owners. By registering your dog with the AKC, you supported valuable programs such as Canine Search-and-Rescue, the AKC Canine Health Foundation, the AKC Kennel Inspection Program, public education, canine legislation, and DNA parentage verification.

AKC registration provides wonderful opportunities for every purebred dog lover. The AKC Canine Good Citizen® program is an outstanding way to train your dog in basic obedience, valuable for every family. In addition, many dog owners enjoy the thrill of participating in AKC activities, shows and trials throughout the country. I invite you and your dog to get involved with the AKC!

Since your Labrador Retriever is a newly registered purebred dog, the AKC has arranged a **Complimentary 60-Day Trial AKC™ Pet Healthcare Plan* for your new puppy—at no cost to you—but you must call PetPartners at 1-866-725-2747 or go online to www.akcphp.com to activate your plan** and get details about this wonderful benefit. The cost of veterinary treatment has increased dramatically in recent years and the AKC Pet Healthcare Plan helps you pay your vet bills if your pet has an accident or is ill.

Please note, if you ordered multiple items at the time of registration, they will be mailed separately and should arrive shortly. These include the AKC Certified Pedigree, the Dog Care and Training video, Family Dog magazine, and the AKC collar tag. If you did not order a Pedigree, you still have the opportunity to do so. An order form is provided on the back of this letter.

All of us want to be responsible dog owners. To help, the AKC offers a wealth of information at www.akc.org. Our site lists national and local dog clubs and AKC Canine Good Citizen® evaluators. Please visit us online and on Facebook and Twitter. If we can be of further service to, please contact us by phone at 919-233-9787 or by email at info@akc.org.

Sincerely,

Dennis B. Sprung
President and Chief Executive Officer
